

AIFST21 COVID-19 Contingency

In 2021, the AIFST Convention is to be held as a face-to-face event in Sydney.

If the AIFST is unable to run the face-to-face Convention as planned due to Government imposed restrictions or other events beyond its reasonable control, the Convention will be transferred to a virtual format at a date to be confirmed within 2021. If the Convention is transferred to a virtual format, all registered delegates will receive a 2 for 1 ticket for the virtual event.

COVID-Safe Terms & Conditions

We kindly ask that you take note of our Terms & Conditions of Entry below in line with our COVID-Safe Plan to ensure a safe and enjoyable experience for everyone.

All attendees must register online with accurate contact information including name, contact number and email address, which in addition to being held in a secure database by AIFST, will assist with contact tracing where required.

Name badges will be issued at registration and must be worn at all times.

Individuals with symptoms of COVID-19 (including those awaiting a test result), a history of international travel in the 14 days prior to the event or close contact with a confirmed case of COVID-19 in the 14 days preceding the event, must remain at home.

Attendees should be mindful of maintaining physical distancing of 1.5 metres during the event, including entering and exiting the event. Please abide by barriers, signs, floor markings and verbal announcements to support physical distancing.

Refrain from shaking hands, touching and other forms of physical contact.

All attendees are encouraged to use the handwashing and sanitation stations provided to ensure good hand hygiene. Cough or sneeze into your arm or tissue and wash your hands with soap and water for at least 20 seconds afterwards.

Any individual displaying symptoms of COVID-19 onsite must report to a COVID marshal or the Organisers Office without delay where event and venue security will be alerted, and the appropriate action taken.

We recommend that visitors check the [NSW Health and Australian Department of Health](#) websites for the current public health advice.
